

[Click here for Registration Website](#)

Complete the Application

Fill out your application thoroughly using the provided link.
Double-check all entries for accuracy.

Contact Your County Health Department

Call your county health department to obtain their mailing address,
learn about any applicable fees, and inquire about possible fee waivers.

Prepare Required Documents

Collect the necessary documents to include with your application:

- A copy of your valid ID
- Proof of residency (see the list on page 4 of the state application)

Mail Your Application

Send your completed application and documents to the provided
address of your county health department.

Confirm Receipt and Follow Up

After mailing, call your local county to confirm receipt and follow up
regularly to check on the status of your application.

Receive and Store Your Registration Card

Once approved, you will receive your registration card by mail. Keep it
in a safe place and note the renewal date.

The fee for the Medical Marijuana Identification Card (MMIC) can vary by county but does not exceed \$100. Applications are processed within 30 days of receiving both the application and payment. The MMIC is valid for one year from the date of issuance and includes a unique identification number and a photo of the cardholder. Annual certification renewal is required. If you need assistance at any point, don't hesitate to reach out to us. We're here to help!
