After certification, you will receive an email from the state cannabis system. This email will contain a link to proceed with your registration.

Follow the Link

Click the link in the email to start the registration process.

Enter Personal Details

Begin the registration process by entering your personal details as prompted.

Upload Identification

About halfway through the process, you will be prompted to upload a clear picture of your state ID or passport.

Prove Hardship (If Applicable)

If you're applying for a reduced fee due to financial hardship, upload the required proof of hardship at the designated step.

Pay Registration Fee

Complete the payment process by paying the registration fee, which is \$200 or \$50 if you qualify for the reduced fee.

Await Confirmation

The state will review your application and you will be notified of the outcome within 30 days via email.

The state application fee is \$200/\$50 hardship and is non-refundable. The Department processes applications within 30 business days of receiving both the application and payment.
