

Colorado New Patient

[Click here for Registration Website](#)

Visit the State Website

Begin by visiting the state registration website listed above.

Make an Account

Select “*Patient and Health Care Provider Registration.*” Fill in the required user information.

Select “Register”

Once all fields are complete, click “*Register.*”

Check Your Email for Your Temporary Password

Login to your account using the temporary password provided in your email.

Select “+New Patient Registration”

Click on “+New Patient Registration” to start your application.

Fill Out All Fields and Upload ID

Fill out all required fields and upload a copy of your plastic or paper temporary Colorado state ID (JPEG or PDF format. Must include the full ID in the image).

Electronic Signature

Type your legal name as your electronic signature and hit “*Save*” followed by “*Save & Submit Patient Registration.*”

Provider Certification Tab

Navigate to the Provider Certification tab and click “*+New*” Select the certification number in the drop-down menu. If the box is empty, please call Relaxed Clarity.

Provider Certification Tab

At the bottom of the page, click “*Save.*” Patients must complete this step no later than 60 days after their visit.

Colorado New Patient

Cultivation Tab -

Navigate to the Cultivation tab and select “+New”

Answer all the questions provided.

Type your full legal name as your electronic signature and click “Save.”

Caregiver Registration

If you have a caregiver, have your caregiver register online and give you their Caregiver ID to enter in the cultivation section. The caregiver must approve your request to continue.

Payment Tab

Navigate to the Payment tab and select “+New”

Select “*Click here to pay*” or upload a copy of your certified CO state tax return for the Fee and Tax-Exempt Waiver.

Enter your credit card or check information. The state fee is \$53.94.

Payment Tab

When payment is complete, your application status will be “*Pending Staff Review*” for up to three business days.

Receiving Your Card

After three business days, log into your state account.

Once logged in, select “*Active.*”

Select “*Print Card*” in the top left corner of your patient registration.

A PDF of your card will open or begin to download. Print your card or save it on your smartphone. Please check your dispensary for requirements.

You will not receive a card in the mail. Do not cut, laminate, or resize the license.
