Access the Registration Website

Click on the link titled 'State Registration Website' found at the top of the page to begin your registration process.

Complete the Registration Form

Fill out the short registration form on the website with the required details.

Log In to Your Account

Once you have completed the registration form, you will be prompted to log into your newly created account.

Upload Required Documents

After logging in, upload a clear picture of your ID and a document proving your residency. These documents are essential for verifying your identity and eligibility.

Pay the Registration Fee

Follow the prompts to pay the \$25 registration fee. This fee is required to process your application.

Submit Your Application

Review all the information and documents you've provided, then submit your application for processing.

Wait for Application Review

Your application will be reviewed by the Maryland Cannabis Administration (MCA). The review process will take up to 14 days.

Check Your Email for Approval

Look for a follow-up email from the MCA about the status of your application.

Maryland New Patient

Save Important Information

If approved, save the email as it contains crucial information:

- Your Username for logging into the Patient registry (OneStop Portal).
- Your MCA Patient ID Number, necessary for your physician and when purchasing medical cannabis.

Obtain Written Certification

Once approved, visit your physician to obtain a written certification for medical cannabis using your MCA Patient ID Number.

Purchase Medical Cannabis

With your written certification, you can visit a licensed dispensary to purchase medical cannabis. Remember to provide your Patient ID Number at the dispensary.

The state application fee is \$25. The MCA typically processes applications within 30 days of receiving all necessary documentation. Medical marijuana cards in Maryland are valid for six years from the date of issuance, and annual certification renewal is required.
