Mississippi Renewal

Wait for Approval

The state will review your renewal application. This review process will ensure all information is up-to-date and complies with the state requirements.

Receive Your Renewed Card

Once your renewal is approved, you will receive your new medical cannabis card in the mail.

The state application fee is \$25 (\$15 for Medicaid recipients, and no fee for disabled veterans or disabled first responders) and is non-refundable. The Department processes applications within 10 days of receiving both the application and payment. Medical marijuana cards are valid for one year from the date of issuance, and annual certification renewal is required. If you need assistance at any point, don't hesitate to reach out to us.
