Continue Accessing Medical Marijuana

Your renewed digital medical card allows you to continue purchasing medical marijuana from licensed dispensaries in Ohio for another year.

The state application fee is \$50 and non-refundable. You can download your digital medical card to save on your mobile device or print it out. Ohio does not issue physical cards. Medical marijuana cards are valid for one year from the date of issuance, and annual certification renewal is required. If you need assistance at any point, don't hesitate to reach out to us.
