

Pennsylvania New Patient

[Click here for Registration Website](#)

Register for an Account

Visit the Pennsylvania Medical Marijuana Program's website and register for an account. You'll need to provide basic information such as your name, address, and contact details.

Get Certified by a Registered Physician

Schedule an appointment with a physician registered with the Pennsylvania Medical Marijuana Program to confirm your qualifying condition. If the physician determines that you are eligible, they will provide you with a patient certification.

Complete Your Application

Log back into your account on the PA Medical Marijuana Program and complete your application. You'll need to enter your patient certification number, issued by your doctor, and further personal details.

Pay the Application Fee

Submit the non-refundable application fee of \$50. Pennsylvania offers a waived fee for participants in state assistance programs.

Await Your Card

Once your application has been approved, your medical marijuana ID card will be mailed to your home address. The processing time can vary, but cards are generally received within 7-14 business days.

The state application fee is \$50 and non-refundable. The PA Medical Marijuana Program processes applications promptly after receiving both the application and payment. Medical marijuana cards are valid for one year from the date of issuance, and annual certification renewal is required. If you need assistance at any point, don't hesitate to reach out to us. We're here to help!
