Virginia Renewal

Await Response from the State

Wait for a response from the state, which typically arrives within 30 business days. Once approved, your medical cannabis card will be issued.

The state application fee is $50 and is non-refundable. The Virginia Department of Health Professions processes applications and issues a registry identification card after reviewing and approving the application and payment. Medical marijuana cards are valid for one year from the date of issuance, and annual certification renewal is required. If you need assistance at any point, don't hesitate to reach out to us. We're here to help!
