## **Pay Renewal Fee**

## **Await Renewal Confirmation**

The state will review your renewal application and notify you of the outcome via email. Processing usually occurs within 30 days.

## **Important Remider**

Medical cannabis certifications are now valid for up to three years. You must renew your provider certification and re-enroll only once every three years, not annually.

The state application fee is \$200/\$50 hardship and is non-refundable. The Department processes applications within 30 business days of receiving both the application and payment. Medical marijuana cards are valid for one year the date of issuance, and annual certification renewal is required. If you need assistance at any point, don't hesitate to reach out to us.
